Dear Mr Gohil,

APPRECIATION LETTER

I write, on behalf of the Ministry of Health & Medical Services, to acknowledge with appreciation your consistent and quality delivery of services to us for over ten years.

South Austral PTY Ltd has demonstrated understanding to our needs and challenges and has addressed these effectively; been prompt to our urgent needs; assisted us in capacity strengthening programmes; and continued providing advice and updates on pharmaceutical products for our informed decisions.

Our mutual relationship and your services add value to achieving our and Ministry's objectives in ensuring the availability of quality pharmaceutical products. We trust that these would continue and nurtured into the future.

Yours sincerely,

Ioana Taakau
